Next Cycle Warranty and Care Program

With Next Cycle's comprehensive 5-year warranty, you can install with confidence, knowing you are backed by our commitment to quality and long-term support. The Next Cycle/Maxa Soave R32 Wall Mounted Air Conditioners 5-year warranty, on selected products used for commercial applications only covers use of the product where the climatic comfort of humans is the primary function (i.e. not primarily for climatic control of electronic or mechanical equipment).

To access the full benefits of our industry-leading warranty, the following conditions must be met:

- Correct Installation: Your system must be installed in compliance with the individual product installation manual and in line with manufacturer guidelines.
- Authorised System Start-Up: A certified Next Cycle/Maxa Authorised Service Installer must commission the system.
